APPENDIX L

Deposition of Pete Lund - 8/13/2018 League of Women Voters of Michigan, et al. v. Ruth Johnson, Secretary of the State of Michigan

	Page 30		Page 32
1	may or may not be around partisan	1	Q. Okay. And you mentioned the Voting Rights
2	gerrymandering?	2	Act?
3	A. I believe there were some discussions on it.	3	A. Yes.
4	Q. Do you recall anything about what was said?	4	Q. We'll talk some more about state law but
5	A. The one thing I recall the most dealing with	5	you're familiar with the Apol criteria
6	that is how sometimes people think it's	6	obviously in Michigan?
7	redistricting gerrymandering but it's	7	A. Yes.
8	really just trying to abide by the laws.	8	Q. What's your understanding of what the Apol
9	I specifically remember a part	9	criteria are?
10	where they put in some outrageously looking	10	A. Criteria that limit how you can draw the
11	districts and then they started explaining	11	lines, there are rules, and I don't remember
12	why they had to look that way to follow the	12	all the rules. I don't think I remembered
13	Voting Rights Act.	13	all the rules when the process was ongoing,
14	I remember, you know, there was one	14	but trying to reduce the number of breaks of
15	district I believe it was in Illinois	15	county lines, municipal lines, basically
16	that looked just crazy, and they were	16	guidelines that would be looked at in the
17	explaining how they had to look that way in	17	approval process if the courts looked into
18	order to become a Hispanic majority/minority	18	it.
19	seat.	19	Q. So, you understood that you were constrained
20	So, that was my first exposure to	20	by the Voting Rights Act; you understood
21	those things and a lot of other terms that I	21	that you were constrained by the Apol
22	hadn't heard before.	22	criteria, which are statutory, correct, in
23	Q. Did you come away with an understanding from	23	Michigan?
24	this conference about whether aside from	24	A. I don't remember if it's statutory or
25	the examples that you've given, that parts	25	judicial fiat or I mean, the one thing I
	Page 31		D 00

	of gerrymandering was the subject of any	1	remember is there were laws created by the
2	of gerrymandering was the subject of any legal constraint; in other words, is there	2	remember is there were laws created by the legislature, both the State and the Federal,
2 3	of gerrymandering was the subject of any legal constraint; in other words, is there some law, constitutional or otherwise,	2	remember is there were laws created by the legislature, both the State and the Federal, that you had to follow, as well as there
2 3 4	of gerrymandering was the subject of any legal constraint; in other words, is there some law, constitutional or otherwise, against partisan gerrymandering?	2 3 4	remember is there were laws created by the legislature, both the State and the Federal, that you had to follow, as well as there were court rulings, both State and Federal,
2 3 4 5	of gerrymandering was the subject of any legal constraint; in other words, is there some law, constitutional or otherwise, against partisan gerrymandering? A. Yes, I believe that there was I would say	2 3 4 5	remember is there were laws created by the legislature, both the State and the Federal, that you had to follow, as well as there were court rulings, both State and Federal, that you had to follow.
2 3 4 5 6	of gerrymandering was the subject of any legal constraint; in other words, is there some law, constitutional or otherwise, against partisan gerrymandering? A. Yes, I believe that there was I would say that I knew you couldn't I'm trying	2 3 4 5 6	remember is there were laws created by the legislature, both the State and the Federal, that you had to follow, as well as there were court rulings, both State and Federal, that you had to follow. Q. Regardless of whether they were statutory or
2 3 4 5 6 7	of gerrymandering was the subject of any legal constraint; in other words, is there some law, constitutional or otherwise, against partisan gerrymandering? A. Yes, I believe that there was I would say that I knew you couldn't I'm trying to sorry, I'm struggling for the words.	2 3 4 5 6 7	remember is there were laws created by the legislature, both the State and the Federal, that you had to follow, as well as there were court rulings, both State and Federal, that you had to follow. Q. Regardless of whether they were statutory or court-made, or some combination, you
2 3 4 5 6 7 8	of gerrymandering was the subject of any legal constraint; in other words, is there some law, constitutional or otherwise, against partisan gerrymandering? A. Yes, I believe that there was I would say that I knew you couldn't I'm trying to sorry, I'm struggling for the words. I'm trying to get this as accurate as I	2 3 4 5 6 7 8	remember is there were laws created by the legislature, both the State and the Federal, that you had to follow, as well as there were court rulings, both State and Federal, that you had to follow. Q. Regardless of whether they were statutory or court-made, or some combination, you understood there was such a thing as the
2 3 4 5 6 7 8	of gerrymandering was the subject of any legal constraint; in other words, is there some law, constitutional or otherwise, against partisan gerrymandering? A. Yes, I believe that there was I would say that I knew you couldn't I'm trying to sorry, I'm struggling for the words. I'm trying to get this as accurate as I possibly can here.	2 3 4 5 6 7 8	remember is there were laws created by the legislature, both the State and the Federal, that you had to follow, as well as there were court rulings, both State and Federal, that you had to follow. Q. Regardless of whether they were statutory or court-made, or some combination, you understood there was such a thing as the Apol criteria
2 3 4 5 6 7 8 9	of gerrymandering was the subject of any legal constraint; in other words, is there some law, constitutional or otherwise, against partisan gerrymandering? A. Yes, I believe that there was I would say that I knew you couldn't I'm trying to sorry, I'm struggling for the words. I'm trying to get this as accurate as I possibly can here. Q. And I don't want you to guess, sir, just	2 3 4 5 6 7 8 9	remember is there were laws created by the legislature, both the State and the Federal, that you had to follow, as well as there were court rulings, both State and Federal, that you had to follow. Q. Regardless of whether they were statutory or court-made, or some combination, you understood there was such a thing as the Apol criteria A. Yes.
2 3 4 5 6 7 8 9 10	of gerrymandering was the subject of any legal constraint; in other words, is there some law, constitutional or otherwise, against partisan gerrymandering? A. Yes, I believe that there was I would say that I knew you couldn't I'm trying to sorry, I'm struggling for the words. I'm trying to get this as accurate as I possibly can here. Q. And I don't want you to guess, sir, just what you can remember.	2 3 4 5 6 7 8 9 10	remember is there were laws created by the legislature, both the State and the Federal, that you had to follow, as well as there were court rulings, both State and Federal, that you had to follow. Q. Regardless of whether they were statutory or court-made, or some combination, you understood there was such a thing as the Apol criteria A. Yes. Q as you've described them?
2 3 4 5 6 7 8 9 10 11	of gerrymandering was the subject of any legal constraint; in other words, is there some law, constitutional or otherwise, against partisan gerrymandering? A. Yes, I believe that there was I would say that I knew you couldn't I'm trying to sorry, I'm struggling for the words. I'm trying to get this as accurate as I possibly can here. Q. And I don't want you to guess, sir, just what you can remember. A. I remember that there were many laws	2 3 4 5 6 7 8 9 10 11 12	remember is there were laws created by the legislature, both the State and the Federal, that you had to follow, as well as there were court rulings, both State and Federal, that you had to follow. Q. Regardless of whether they were statutory or court-made, or some combination, you understood there was such a thing as the Apol criteria A. Yes. Q as you've described them? A. Sorry, yes. Q. And you, with the help of your lawyers, sought to follow those?
2 3 4 5 6 7 8 9 10 11 12 13 14	of gerrymandering was the subject of any legal constraint; in other words, is there some law, constitutional or otherwise, against partisan gerrymandering? A. Yes, I believe that there was I would say that I knew you couldn't I'm trying to sorry, I'm struggling for the words. I'm trying to get this as accurate as I possibly can here. Q. And I don't want you to guess, sir, just what you can remember. A. I remember that there were many laws involved, and the biggest thing I came out of there understanding is that there are it's an unbelievably technical and legal	2 3 4 5 6 7 8 9 10 11 12 13 14	remember is there were laws created by the legislature, both the State and the Federal, that you had to follow, as well as there were court rulings, both State and Federal, that you had to follow. Q. Regardless of whether they were statutory or court-made, or some combination, you understood there was such a thing as the Apol criteria A. Yes. Q as you've described them? A. Sorry, yes. Q. And you, with the help of your lawyers, sought to follow those? A. Yes.
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16	of gerrymandering was the subject of any legal constraint; in other words, is there some law, constitutional or otherwise, against partisan gerrymandering? A. Yes, I believe that there was I would say that I knew you couldn't I'm trying to sorry, I'm struggling for the words. I'm trying to get this as accurate as I possibly can here. Q. And I don't want you to guess, sir, just what you can remember. A. I remember that there were many laws involved, and the biggest thing I came out of there understanding is that there are it's an unbelievably technical and legal process, as well as a political process.	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16	remember is there were laws created by the legislature, both the State and the Federal, that you had to follow, as well as there were court rulings, both State and Federal, that you had to follow. Q. Regardless of whether they were statutory or court-made, or some combination, you understood there was such a thing as the Apol criteria A. Yes. Q as you've described them? A. Sorry, yes. Q. And you, with the help of your lawyers, sought to follow those? A. Yes. Q. And the same thing with regard to the Voting
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17	of gerrymandering was the subject of any legal constraint; in other words, is there some law, constitutional or otherwise, against partisan gerrymandering? A. Yes, I believe that there was I would say that I knew you couldn't I'm trying to sorry, I'm struggling for the words. I'm trying to get this as accurate as I possibly can here. Q. And I don't want you to guess, sir, just what you can remember. A. I remember that there were many laws involved, and the biggest thing I came out of there understanding is that there are it's an unbelievably technical and legal process, as well as a political process. And by "political," I mean legislative	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17	remember is there were laws created by the legislature, both the State and the Federal, that you had to follow, as well as there were court rulings, both State and Federal, that you had to follow. Deposition of Pete Lund - 8/13/2018 League of Women Voters of Michigan, et al. v. Ruth Johnson, Secretary of the State of Michigan

	Page 46		Page 48
1	as I understand it, a judgement about who	1	A. I think that was an agreed-to rule.
2	would have access to that information, and	2	Q. Agreed to among this group of folks that
3	that was you, Mr. McMaster, Mr. Began, the	3	you've identified?
4	lawyers.	4	A. I think so, yes.
5	Was there anyone else in that	5	Q. Do you know of any instance in which any of
6	group?	6	that information leaked out from your
7	A. The Speaker and Chief of Staff I'm pretty	7	from the House side before the final map was
8	sure saw the maps.	8	released?
9	Q. Anyone else you can remember? Anyone else	9	A. I don't think so but I again, seven and a
10	you can remember?	10	half years ago, I could have missed
11	A. I'm thinking.	11	something.
12	Q. Oh, I'm sorry.	12	Q. But as you sit here today, your
13	A. That's okay. I don't think so.	13	recollection, it sounds like, is that you
14	Q. As Committee Chair, it was your decision as	14	kept the information in that group fairly
15	to who would and would not have access to	15	successfully pending the final map?
16	the draft products?	16	A. I think so, yes.
17	A. I would say they were mine but any time I	17	Q. And that was what you intended?
18	could make a decision, the Speaker could	18	A. Until we were ready to release it, yes.
19	overrule it.	19	Q. And where did Mr. McMaster work? Where did
20	Q. Did he overrule on subjects around the	20	he do this line drawing?
21	confidentiality of the drafting process?	21	A. In the House of Representatives, everybody
22	A. Not that I recall.	22	gets all the representatives have an
23	Q. And why did you believe it was better for	23	office assigned to them based on their
24	the process to have that information kept	24	district number. So I had one, I believe it
25	among that group you've decided during the	25	was the eighth floor of the House office
	Page 47		Page 49
1	drafting process rather than charing it as		
	drafting process rather than sharing it as	1	building. My office that I used was in The

3 4 5 6 7 8 9 10	you went along with your members of your committee? A. I don't think they had the relationship with the attorneys, I don't think they saw the process the way that I necessarily did. They hadn't been to the conferences. They hadn't been in all the meetings with the attorneys. It's a pretty tough I mean, it is so different it was so different than	2 3 4 5 6 7 8 9 10	Capitol Building, so that office was available. So we thought it was best to use that as the office for redistricting since it wasn't used by me but I still had control of it. Q. As Committee Chair? A. I had control of that office because my district number was 36, my predecessor who had 36 was in that office and my successor who had 36 was in that office. So since I
3 4 5 6 7 8 9 10 11	you went along with your members of your committee? A. I don't think they had the relationship with the attorneys, I don't think they saw the process the way that I necessarily did. They hadn't been to the conferences. They hadn't been in all the meetings with the attorneys. It's a pretty tough I mean, it is so different it was so different than what I had expected it to be. I didn't	2 3 4 5 6 7 8 9 10 11 12	Capitol Building, so that office was available. So we thought it was best to use that as the office for redistricting since it wasn't used by me but I still had control of it. Q. As Committee Chair? A. I had control of that office because my district number was 36, my predecessor who had 36 was in that office and my successor who had 36 was in that office. So since I wasn't using it actively for day-to-day
3 4 5 6 7 8 9 10 11 12 13 14	you went along with your members of your committee? A. I don't think they had the relationship with the attorneys, I don't think they saw the process the way that I necessarily did. They hadn't been to the conferences. They hadn't been in all the meetings with the attorneys. It's a pretty tough I mean, it is so different it was so different than what I had expected it to be. I didn't realize just how many legal constraints there were and I felt like if we started talking to these people and showing other	2 3 4 5 6 7 8 9 10 11 12 13 14	Capitol Building, so that office was available. So we thought it was best to use that as the office for redistricting since it wasn't used by me but I still had control of it. Q. As Committee Chair? A. I had control of that office because my district number was 36, my predecessor who had 36 was in that office and my successor who had 36 was in that office. So since I wasn't using it actively for day-to-day parts of my job, it was available and we
3 4 5 6 7 8 9 10 11 12 13 14 15	you went along with your members of your committee? A. I don't think they had the relationship with the attorneys, I don't think they saw the process the way that I necessarily did. They hadn't been to the conferences. They hadn't been in all the meetings with the attorneys. It's a pretty tough I mean, it is so different it was so different than what I had expected it to be. I didn't realize just how many legal constraints there were and I felt like if we started talking to these people and showing other people parts of it before we were near the	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16	Capitol Building, so that office was available. So we thought it was best to use that as the office for redistricting since it wasn't used by me but I still had control of it. Q. As Committee Chair? A. I had control of that office because my district number was 36, my predecessor who had 36 was in that office and my successor who had 36 was in that office. So since I wasn't using it actively for day-to-day parts of my job, it was available and we chose to use that one. Q. So, was Mr. McMaster physically located there?
3 4 5 6 7 8 9 10 11 12 13 14 15 16 17	you went along with your members of your committee? A. I don't think they had the relationship with the attorneys, I don't think they saw the process the way that I necessarily did. They hadn't been to the conferences. They hadn't been in all the meetings with the attorneys. It's a pretty tough I mean, it is so different it was so different than what I had expected it to be. I didn't realize just how many legal constraints there were and I felt like if we started talking to these people and showing other people parts of it before we were near the end, then it would potentially just get out	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17	Capitol Building, so that office was available. So we thought it was best to use that as the office for redistricting since it wasn't used by me but I still had control of it. Q. As Committee Chair? A. I had control of that office because my district number was 36, my predecessor who had 36 was in that office and my successor who had 36 was in that office. So since I wasn't using it actively for day-to-day parts of my job, it was available and we chose to use that one. Q. So, was Mr. McMaster physically located there? A. Yes.
3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	you went along with your members of your committee? A. I don't think they had the relationship with the attorneys, I don't think they saw the process the way that I necessarily did. They hadn't been to the conferences. They hadn't been in all the meetings with the attorneys. It's a pretty tough I mean, it is so different it was so different than what I had expected it to be. I didn't realize just how many legal constraints there were and I felt like if we started talking to these people and showing other people parts of it before we were near the end, then it would potentially just get out of place and people would start complaining	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	Capitol Building, so that office was available. So we thought it was best to use that as the office for redistricting since it wasn't used by me but I still had control of it. Q. As Committee Chair? A. I had control of that office because my district number was 36, my predecessor who had 36 was in that office and my successor who had 36 was in that office. So since I wasn't using it actively for day-to-day parts of my job, it was available and we chose to use that one. Q. So, was Mr. McMaster physically located there? A. Yes. Q. And that's the eighth floor of the
3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19	you went along with your members of your committee? A. I don't think they had the relationship with the attorneys, I don't think they saw the process the way that I necessarily did. They hadn't been to the conferences. They hadn't been in all the meetings with the attorneys. It's a pretty tough I mean, it is so different it was so different than what I had expected it to be. I didn't realize just how many legal constraints there were and I felt like if we started talking to these people and showing other people parts of it before we were near the end, then it would potentially just get out of place and people would start complaining about this and that and not understanding	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	Capitol Building, so that office was available. So we thought it was best to use that as the office for redistricting since it wasn't used by me but I still had control of it. Q. As Committee Chair? A. I had control of that office because my district number was 36, my predecessor who had 36 was in that office and my successor who had 36 was in that office. So since I wasn't using it actively for day-to-day parts of my job, it was available and we chose to use that one. Q. So, was Mr. McMaster physically located there? A. Yes. Q. And that's the eighth floor of the House office?
3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20	you went along with your members of your committee? A. I don't think they had the relationship with the attorneys, I don't think they saw the process the way that I necessarily did. They hadn't been to the conferences. They hadn't been in all the meetings with the attorneys. It's a pretty tough I mean, it is so different it was so different than what I had expected it to be. I didn't realize just how many legal constraints there were and I felt like if we started talking to these people and showing other people parts of it before we were near the end, then it would potentially just get out of place and people would start complaining about this and that and not understanding the legal constraints that there were.	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20	Capitol Building, so that office was available. 1	could move to a better district or exactly	1	with Mr. Bolger with Detroit Democrats to
2	what it was.	2	talk about the redistricting maps?
3	Q. Was she upset about this?	3	A. I don't remember if that happened or didn't
4	A. I don't remember her being upset but, again,	4	happen.
5	that was that meeting was seven years	5	Q. What do you remember about those meetings?
6	ago. I	6	A. Trying to explain that we would be more than
7	Q. So, when you told her this about the map	7	willing to let them draw the lines in
8	that you were preparing and what the choice	8	Detroit as long as they followed the rules
9	is that you described, what was her response	9	and they wouldn't hurt us legally from
10	to you?	10	getting passed if they were willing to
11	A. She wasn't interested. She was going to be	11	support the map as you know, with their
12	running for county clerk.	12	version of Detroit.
13	Q. Did you get her vote?	13	Q. So the deal that you were offering was your
14	A. No.	14	group would draw the rest of the map in the
15	Q. Now, she told you she didn't care because	15	way you wanted to draw it, they could draw
16	she was going to run for county clerk and it	16	Detroit in the way they wanted to draw it as
17	didn't matter, or did she run for county	17	long as it's all within the law and that
18	clerk because of the map that was being	18	would be the deal?
19	drawn?	19	A. Yes.
20	A. I really don't remember. I think it was	20	Q. And was that with regard just to the House
21	rumored at least that she was planning on	21	map, or was it with regard to other maps?
22	running for clerk.	22	A. State House.
23	Q. What about Mr. Stallworth? Tell me about	23	Q. State House only?
24	your meeting with Mr. Stallworth.	24	A. (Nodding.)
25	A. I remember meeting with the Democrats from	25	Q. And how was that offer received?
1	Page 75 Detroit overall not all of them, but	1	Page 77 A. They seemed open to it and they tried and
2	several of them representing multiple ones.	2	drew several versions of maps.
3	I'm not sure if they represented all of them	3	Q. And were they were those adopted?
4	or not, I don't recall, but we tried to come	4	A. No.
5	up with a plan where we could get their	5	Q. Why not?
6	support for the maps.	6	A. Legally, we were told that they would not
7	Q. So, Mr. Stallworth was in that kind of		
		7	stand up.
8	collective meeting?	7 8	stand up. Q. And this came from whom?
8 9	collective meeting? A. I believe so.	1	•
		8	Q. And this came from whom?
9	A. I believe so.	8 9	Q. And this came from whom? A. I believe our attorneys.

League of Women Voters of Michigan, et al. v. Ruth Johnson, Secretary of the State of Michigan

	Page 86		Page 88
1	A. From Representative Paul Scott.	1	Q. But you didn't look at that data?
2	Q. Okay. Tell me about that.	2	A. I don't recall looking at that data.
3	A. He was upset with his district. He wanted	3	Q. And you don't recall sharing that data in
4	things that we didn't feel were legal but	4	these meetings with these members?
5	would be better for him politically. There	5	A. I don't but again, it's over seven years
6	were some things that the map drawers I	6	ago, and just don't remember all the details
7	believe changed that made him a little bit	7	like that. I remember there being the
8	happier but not anywhere near what he	8	map I remember showing them the old map
9	wanted.	9	and the new map. I don't recall there being
10	Q. I assume did the changes that the map	10	any other data associated with it. It could
11	drawers made in response to Mr. Scott's	11	have been. Again, it's over seven years.
12	comments still result in a legal map?	12	Q. So assuming that there was no political data
13	A. Yes, I believe so.	13	shown to those members in those meetings
14	Q. Well, you didn't propose a map that you	14	that you're describing, assuming that's the
15 16	didn't believe was legal? A. Correct.	15	way it happened, they would just be they
16 17	Q. Okay. And if I hear you right, you did what	16	would just have to make their own judgments
18	you could for him politically within the	17	about how their new district might compare
19	bounds of the law?	19	to their old district politically? A. Yes.
20	A. There were some accommodations made.	20	Q. And they would have to do that based on
21	Q. What what were the accommodations?	21	whatever information they had about the lie
22	A. I don't recall the details, but it was the	22	of the land so to speak?
23	overall map design for his district changed	23	A. I believe so, yes.
24	a little bit, I believe.	24	Q. Because you don't recall the caucus giving
25	Q. When you had these meetings with these	25	them that information?
1	Page 87		Page 89
	members, did you have data on the political	1	A. I don't recall it, no.
2	makeup of the old and new districts?	2	Q. So Mr. Scott, when you talked to him and
3	makeup of the old and new districts? A. I only remember showing them the map. I	2 3	 Q. So Mr. Scott, when you talked to him and made the changes that you described, what
3 4	makeup of the old and new districts? A. I only remember showing them the map. I don't remember if that contained any data or	2 3 4	Q. So Mr. Scott, when you talked to him and made the changes that you described, what was his specific complaint?
3 4 5	makeup of the old and new districts? A. I only remember showing them the map. I don't remember if that contained any data or not.	2 3 4 5	Q. So Mr. Scott, when you talked to him and made the changes that you described, what was his specific complaint?A. I don't remember the specifics of what he
3 4 5 6	makeup of the old and new districts? A. I only remember showing them the map. I don't remember if that contained any data or not. Q. Okay. So we know that the map makers	2 3 4 5 6	 Q. So Mr. Scott, when you talked to him and made the changes that you described, what was his specific complaint? A. I don't remember the specifics of what he didn't like about it. I just remember him
3 4 5 6 7	 makeup of the old and new districts? A. I only remember showing them the map. I don't remember if that contained any data or not. Q. Okay. So we know that the map makers well, let me start over. 	2 3 4 5 6 7	 Q. So Mr. Scott, when you talked to him and made the changes that you described, what was his specific complaint? A. I don't remember the specifics of what he didn't like about it. I just remember him being very upset with it.
3 4 5 6	makeup of the old and new districts? A. I only remember showing them the map. I don't remember if that contained any data or not. Q. Okay. So we know that the map makers	2 3 4 5 6	 Q. So Mr. Scott, when you talked to him and made the changes that you described, what was his specific complaint? A. I don't remember the specifics of what he didn't like about it. I just remember him being very upset with it. Q. He was very upset, you say?
3 4 5 6 7 8	 makeup of the old and new districts? A. I only remember showing them the map. I don't remember if that contained any data or not. Q. Okay. So we know that the map makers well, let me start over. Did you yourself know that the line 	2 3 4 5 6 7 8	 Q. So Mr. Scott, when you talked to him and made the changes that you described, what was his specific complaint? A. I don't remember the specifics of what he didn't like about it. I just remember him being very upset with it.
3 4 5 6 7 8	 makeup of the old and new districts? A. I only remember showing them the map. I don't remember if that contained any data or not. Q. Okay. So we know that the map makers well, let me start over. Did you yourself know that the line drawers had, you know, statewide political 	2 3 4 5 6 7 8	 Q. So Mr. Scott, when you talked to him and made the changes that you described, what was his specific complaint? A. I don't remember the specifics of what he didn't like about it. I just remember him being very upset with it. Q. He was very upset, you say? A. Yes, um-hmm.
3 4 5 6 7 8 9	 makeup of the old and new districts? A. I only remember showing them the map. I don't remember if that contained any data or not. Q. Okay. So we know that the map makers well, let me start over. Did you yourself know that the line drawers had, you know, statewide political historical data that they could use to judge 	2 3 4 5 6 7 8 9	 Q. I don't recall what they had and didn't have. 	2 3 4 5 6 7 8 9 10 11 12 13	 Q. So Mr. Scott, when you talked to him and made the changes that you described, what was his specific complaint? A. I don't remember the specifics of what he didn't like about it. I just remember him being very upset with it. Q. He was very upset, you say? A. Yes, um-hmm. Q. Did his complaint have anything to do with how hard he thought it would be for him to win in that district? A. I believe so.
3 4 5 6 7 8 9 10 11 12 13	 makeup of the old and new districts? A. I only remember showing them the map. I don't remember if that contained any data or not. Q. Okay. So we know that the map makers well, let me start over. Did you yourself know that the line drawers had, you know, statewide political historical data that they could use to judge draft maps and existing maps? A. I don't recall what they had and didn't have. Q. Do you recall that they had political data 	2 3 4 5 6 7 8 9 10 11 12 13	 Q. So Mr. Scott, when you talked to him and made the changes that you described, what was his specific complaint? A. I don't remember the specifics of what he didn't like about it. I just remember him being very upset with it. Q. He was very upset, you say? A. Yes, um-hmm. Q. Did his complaint have anything to do with how hard he thought it would be for him to win in that district? A. I believe so. Q. Had he been paired with some other
3 4 5 6 7 8 9 10 11 12 13 14 15 16 17	makeup of the old and new districts? A. I only remember showing them the map. I don't remember if that contained any data or not. Q. Okay. So we know that the map makers well, let me start over. Did you yourself know that the line drawers had, you know, statewide political historical data that they could use to judge draft maps and existing maps? A. I don't recall what they had and didn't have. Q. Do you recall that they had political data that they could make judgments about maps? A. Don't recall what data they had and didn't have.	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17	 Q. So Mr. Scott, when you talked to him and made the changes that you described, what was his specific complaint? A. I don't remember the specifics of what he didn't like about it. I just remember him being very upset with it. Q. He was very upset, you say? A. Yes, um-hmm. Q. Did his complaint have anything to do with how hard he thought it would be for him to win in that district? A. I believe so. Q. Had he been paired with some other incumbent? A. I don't think so. Q. So it was more directed towards the
3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	makeup of the old and new districts? A. I only remember showing them the map. I don't remember if that contained any data or not. Q. Okay. So we know that the map makers well, let me start over. Did you yourself know that the line drawers had, you know, statewide political historical data that they could use to judge draft maps and existing maps? A. I don't recall what they had and didn't have. Q. Do you recall that they had political data that they could make judgments about maps? A. Don't recall what data they had and didn't have. Q. So, you think when do you think that when	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17	 Q. So Mr. Scott, when you talked to him and made the changes that you described, what was his specific complaint? A. I don't remember the specifics of what he didn't like about it. I just remember him being very upset with it. Q. He was very upset, you say? A. Yes, um-hmm. Q. Did his complaint have anything to do with how hard he thought it would be for him to win in that district? A. I believe so. Q. Had he been paired with some other incumbent? A. I don't think so. Q. So it was more directed towards the political makeup of the new district?
3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	makeup of the old and new districts? A. I only remember showing them the map. I don't remember if that contained any data or not. Q. Okay. So we know that the map makers well, let me start over. Did you yourself know that the line drawers had, you know, statewide political historical data that they could use to judge draft maps and existing maps? A. I don't recall what they had and didn't have. Q. Do you recall that they had political data that they could make judgments about maps? A. Don't recall what data they had and didn't have. Q. So, you think when do you think that when the map makers would draw a draft map, they	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	 Q. So Mr. Scott, when you talked to him and made the changes that you described, what was his specific complaint? A. I don't remember the specifics of what he didn't like about it. I just remember him being very upset with it. Q. He was very upset, you say? A. Yes, um-hmm. Q. Did his complaint have anything to do with how hard he thought it would be for him to win in that district? A. I believe so. Q. Had he been paired with some other incumbent? A. I don't think so. Q. So it was more directed towards the political makeup of the new district? A. I believe so.
3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20	 makeup of the old and new districts? A. I only remember showing them the map. I don't remember if that contained any data or not. Q. Okay. So we know that the map makers well, let me start over. Did you yourself know that the line drawers had, you know, statewide political historical data that they could use to judge draft maps and existing maps? A. I don't recall what they had and didn't have. Q. Do you recall that they had political data that they could make judgments about maps? A. Don't recall what data they had and didn't have. Q. So, you think when do you think that when the map makers would draw a draft map, they just didn't have any way to judge how that 	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20	 Q. So Mr. Scott, when you talked to him and made the changes that you described, what was his specific complaint? A. I don't remember the specifics of what he didn't like about it. I just remember him being very upset with it. Q. He was very upset, you say? A. Yes, um-hmm. Q. Did his complaint have anything to do with how hard he thought it would be for him to win in that district? A. I believe so. Q. Had he been paired with some other incumbent? A. I don't think so. Q. So it was more directed towards the political makeup of the new district? A. I believe so. Q. And that problem was mitigated somewhat by
3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21	 makeup of the old and new districts? A. I only remember showing them the map. I don't remember if that contained any data or not. Q. Okay. I don't recall what they had and didn't have. Q. Do you recall that they had political data that they could make judgments about maps? A. Don't recall what data they had and didn't have. Q. So, you think when do you think that when the map makers would draw a draft map, they just didn't have any way to judge how that district had performed in the past or might perform	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22	 Q. So Mr. Scott, when you talked to him and made the changes that you described, what was his specific complaint? A. I don't remember the specifics of what he didn't like about it. I just remember him being very upset with it. Q. He was very upset, you say? A. Yes, um-hmm. Q. Did his complaint have anything to do with how hard he thought it would be for him to win in that district? A. I believe so. Q. Had he been paired with some other incumbent? A. I don't think so. Q. So it was more directed towards the political makeup of the new district? A. I believe so. Q. And that problem was mitigated somewhat by these changes that you described? A. I believe somewhat.

Deposition of Pete Lund - 8/13/2018 League of Women Voters of Michigan, et al. v. Ruth Johnson, Secretary of the State of Michigan

	Page 98		Page 100
1	there was some legal constraint on your and	1	had a conversation, not what the
2	your caucus' use of political	2	conversation was?
3	considerations, by which I mean	3	MR. YEAGER: Correct.
4	Democrat/Republican considerations in	4	MR. ELLSWORTH: Okay. That's fine.
5	drawing the maps?	5	Do you understand that, Mr. Lund?
6	MR. ELLSWORTH: And I'm going to	6	THE WITNESS: Could you repeat it,
7	object to the extent that that might call	7	please.
8	for attorney/client privileged information.	8	MR. YEAGER: (Indicating.)
9	Go ahead and answer it, but, Mr. Lund, don't	9	(Question read back.)
10	discuss any advice that you got from	10	THE WITNESS: I don't recall the
11	lawyers.	11	specifics of constraints that way one way or
12	MR. YEAGER: Let's go one step at a	12	the other.
13	time to make this workable.	13	BY MR. YEAGER:
14	BY MR. YEAGER:	14	Q. Do you recall that indication having been
15	Q. So, let me if you could answer that	15	given to you generally? You say the
16	question maybe yes or no and then we'll go	16	specifics
17	on?	17	A. I don't recall one way or the other
18	MR. YEAGER: Could you read the	18	generally.
19	question back.	19	(Discussion off the record.)
20	(Question read back.)	20	(A recess was taken.)
21	THE WITNESS: I don't recall what	21	BY MR. YEAGER:
22	considerations like that there were	22	Q. So, Mr. Lund, we've talked quite a bit about
23	politically or not politically.	23	the process of drawing the House maps. Did
24	BY MR. YEAGER:	24	you have any involvement in the drawing of
25	Q. You don't recall having that concern?	25	the State Senate maps?
	Page 99		Page 101
